

How to lay out a script...

Scene One

Information about where the scene is set (location) in as little or as much detail as you like, perhaps including the season, time of day etc. If any characters are onstage when the scene begins, mention them here, and perhaps what they are wearing.

Character A Its hot isn't it?

Character B I'm parched. You got any water?

Character A I'm out. *(sits down)*

Character C Me too.

Character D enters carrying a rucksack

Character B Hey Dee, you got some water?

Character D What?

Character C I'll go find some, think there's a kiosk further along the beach. *(to Character B)* You got some cash?

Character B rummages in her trouser pockets

Character B *(with a blank face)* Nope.
