Introducing National Theatre at Home

We're all about experiencing theatre together. At a time when many theatre fans around the world aren't able to visit National Theatre Live venues or local theatres, we're excited to bring you *Coriolanus* via National Theatre at Home.

Following *Coriolanus*, each week a different production will be made available to watch for free via the National Theatre's YouTube channel on Thursdays at 7pm UK-time and will then be available on demand for seven days.

National Theatre Live

National Theatre Live shares the best of British theatre direct from the stage to cinema screens around the world.

A short synopsis of the play

When an old adversary threatens Rome, the city calls once more on her hero and defender: Coriolanus. But he has enemies at home too.

As famine threatens the city, the citizens' hunger swells to an appetite for change, and on returning from the field, Coriolanus must confront the march of realpolitik and the voice of an angry people.
