

## Artsmark and National Theatre Programmes for Primary Schools

### Introduction

**NT Learning** provides children and young people with the chance to discover new skills and experience the excitement of theatre, through inspiring programmes and projects across the UK and at the National Theatre in London.

The **Primary Programme** works with Primary schools across the UK, offering a range of projects for Key Stage 1 and Key Stage 2 students. The programme offers many opportunities for enrichment with a focus on creativity across the whole primary curriculum.

All NT Primary projects provide resources and professional development opportunities for teachers enabling them to effectively support their students to enjoy, engage and immerse themselves in the programme whilst learning new skills themselves. All our workshop leaders are professional theatre artists who have been trained to work in a school setting. They include actors, directors, designers and theatre technicians who bring a wealth of knowledge and expertise to our programmes.

The National Theatre is a registered Artsmark Partner Organisation endorsed by Arts Council England who can support schools in achieving their Artsmark Award accreditation. Artsmark is a nationally recognised quality standard for schools which helps to develop, celebrate and strengthen high quality arts and cultural provision in education settings.

All National Theatre programmes are highly subsidised to enable a broad range of schools to take part. In addition, **we offer bursaries for schools where even the subsidised cost would be a barrier to participation.**

The following document illustrates how **NATIONAL THEATRE ON DEMAND. IN SCHOOLS** can ensure high quality, authentic arts activity with your school whilst supporting you on your Artsmark journey.

Artsmark schools are awarded their accreditation by Arts Council England based on the following 8 criteria; leadership, curriculum design, continued professional development (CPD), Children and young people engagement, range of offer, partnerships, equality and diversity, values and ethos. We have mapped each of our primary programmes against the Artsmark criteria below to ensure that your Artsmark journey is a success:

**How can Drama and Theatre be developed in your school using National Theatre Programmes?**

**What will be the impact of National Theatre Programmes in your school?**

**How can National Theatre Programmes help you achieve your Artsmark Award?**
